## Volunteering – What’s in it for me?

When asked to volunteer, many people immediately associate the term with “giving” – giving of their time, services and sometimes even money. Sure, volunteers help others; they share their skills; they fulfill a need and hopefully, make an impact on their community. Have you ever considered what **YOU** might gain by volunteering your services with the Fort Worth Library?

### • Learn a New Skill

There is so much to learn at the library! Our staff will be happy to teach you what you need to know. This gives volunteers an opportunity to feel challenged. You can build your résumé too. Who knows, it could even lead to a new career!

### • Meet New People

The library is full of friendly faces who appreciate you as a volunteer. You’ll have the opportunity to work with library staff and make new friends along the way.

### • Escape Your Normal Routine

Are you bored with your day-to-day routine? Do you need an activity to keep you busy? Volunteers at the library have the opportunity to participate in all sorts of activities and special events.

### • Repay a Debt / Academic Credit

Does your school or service program require you to complete community service hours? We can help you put a check next to that item on the to-do list. Some people are also eligible to clear their library card fines by working as a volunteer.

### • Feel Good / Have Fun

Most of all, volunteers feel good about what they are doing. There is a sense of pride and accomplishment that comes with volunteering. And there’s nothing better than having fun while you do something that is worthwhile.

**Rachel Hopkins** is our new Fort Worth Library “Volunteer of the Month.” Rachel is involved in all kinds of activities at the library and is an invaluable member of our team. While we are grateful for her time and contributions, Rachel has learned something valuable about herself during her time with us.

Take your smart phone and scan the QR code to the right, and hear why Rachel chooses to volunteer with the Fort Worth Library.

## Participant Guidelines

Although eligible for monthly in-house drawings and incentives, employees of the Fort Worth Library and their families are not eligible to win grand prizes.

- Activity cards are available at all Fort Worth libraries and online at [wr365.org](http://wr365.org). Cards are available for three age groups: youth, teen and adult.
- A card contains 15 squares. Within each square is an activity related to reading, learning or self-improvement. Each time you complete one or more activities, have the square(s) stamped at a partner location.
- The first time you complete at least five different activities on a card, return the completed card to a Fort Worth Library location to receive a Certificate of Completion and an incentive, for example, a voucher for admission to the Fort Worth Museum of Science and History. Participants may submit only one card per day.
- Each completed card (five activities) serves as an entry in regular drawings so continue submitting completed cards. Each Fort Worth Library location will hold monthly drawings for unique prizes. Grand-prize drawings occur in September, and prizes will be awarded at the annual Celebration.
- The time, date and location of the celebration will be posted at [wr365.org](http://wr365.org).
- Prizes awarded from grand-prize drawings include e-readers, netbooks, tablets and more. If you wish not to be entered in the prize drawing, do not complete the contact information on the card.
- Winners' names will be posted at [wr365.org](http://wr365.org) within 48 hours of the prize drawing.
- Winners need not be present at the celebration to claim prizes but must claim prizes within 10 days of being notified. Winners forfeit prizes if not claimed within 10 days of notification. Participants may win only one grand prize per chapter.
- To complete the program, cards must be submitted by the conclusion of each chapter.

Learn more at [wr365.org](http://wr365.org) or 817.392.7745.

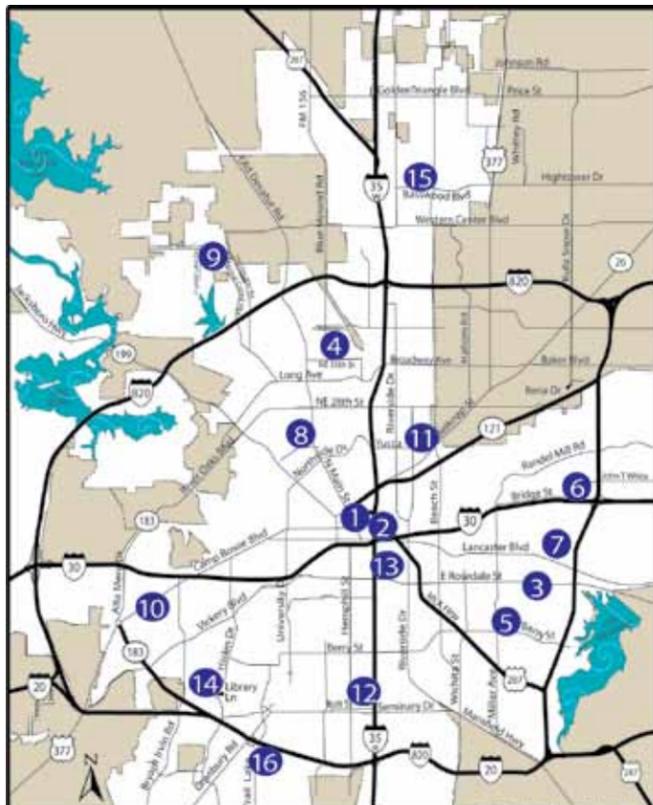

## Información Para Participantes

Aunque los empleados de la Biblioteca de Fort Worth y sus familias sí pueden recibir incentivos y participar en las rifas internas, no son elegibles para la rifa de grandes premios.

- Las tarjetas de actividades están disponibles en los locales de los socios participantes, incluyendo todas las Bibliotecas de Fort Worth, y por Internet en [wr365.org](http://wr365.org). Las tarjetas están divididas en tres grupos de edades: niños, adolescentes y adultos.
- Cada tarjeta contiene 15 recuadros. En cada recuadro hay una actividad relacionada con la lectura, el aprendizaje o la superación personal. Cada vez que usted complete una o más actividades solicite que le estampen el recuadro en cualquiera de los locales de los socios participantes.
- La primera vez que usted complete un mínimo de cinco actividades diferentes regrese la tarjeta a cualquiera de las bibliotecas de Fort Worth para que reciba un Certificado y un incentivo, por ejemplo, un boleto de admisión al Museo de Ciencia e Historia de Fort Worth. Solamente se puede entregar una tarjeta por día por cada participante.
- Cada tarjeta con cinco actividades completas funciona como un boleto para participar en los sorteos que se llevan a cabo regularmente. Complete más tarjetas y tendrá más oportunidades para ganar premios. Cada sucursal de la Biblioteca de Fort Worth celebrará rifas mensualmente. El sorteo de grandes premios se realiza en septiembre y los premios se podrán recoger en la celebración anual o posteriormente.
- El día, hora y lugar de la gran celebración será anunciado en [wr365.org](http://wr365.org).
- Entre los premios que se rifarán se incluyen e-readers, netbooks, tabletas y más. Si usted no desea participar en el sorteo, por favor no complete la información de contacto en la tarjeta.
- Los nombres de los ganadores serán publicados en [wr365.org](http://wr365.org) a más tardar 48 hrs. después de realizarse la rifa.
- Los ganadores del sorteo no tendrán que estar presentes durante la celebración para recibir sus premios. Una vez anunciados los nombres, los ganadores tendrán 10 días para reclamar su premio. Si el premio no es recogido en 10 días, el ganador renuncia a su premio. Los participantes podrán ganar un gran premio por segmento.
- Para completar el programa, las tarjetas deberán entregarse a más tardar al final de cada segmento.

# WORTH READING<sup>®</sup>

#wt365

The Worth Reading program aims to get everyone reading, learning and having fun — all year long. Three times a year, the library and its partner organizations begin a new chapter of story times, movies, programs, workshops and activities.

It's easy to participate; just pick up an activity card at any Fort Worth Library or partner location. Once you've completed five activities, turn in the card to be entered to win e-readers, tablet PCs, books, gift cards and more.
