

Neighborhood Litter Stomp

As you know, the City of Fort Worth has a goal of being litter-free, and it takes a really big village to make that a reality.

We hope we can count on you and your family to participate on **October 20th** to clean up our community. Every registered group or individual receives gloves and bags, as well as T-shirts while supplies last.

Register with your school!

Your school has a group leader that will pick up supplies and bring them to the site the morning of the cleanup. Please let us know how many people from your family will be participating and their shirt sizes:
