PRESENTATIONS

Strategic Partnerships Round 3/Intersection Improvements/MTP Policy Bundle TDC Funding Program

The Strategic Partnerships Round 3 Program is intended to award federal mobility and air quality funding to projects that leverage funds from local partners, make needed intersection improvements or have been submitted by cities that have qualified for federal toll credits. Projects have been evaluated on their technical merits, and a staff recommendation is proposed for review and comment. Details of the program and the projects being proposed for funding will be presented.

High-Speed Rail Update

Staff will provide an update of recent progress regarding high-speed rail initiatives for the Fort Worth-to-Laredo project, including staff efforts to advance the initiatives. An update on the Dallas-to-Fort Worth and the Dallas-to-Houston projects will also be provided.

Air Quality: Year in Review

With the 2018 ozone season drawing to a close, staff will present information on preliminary ozone season results. Accomplishments of various air quality projects will also be highlighted.

RESOURCES AND INFORMATION

EV Incentives

Several new electric vehicle makes and models are available in Texas. Visit www.dfwcleancities.org/evnt to see which ones qualify for a rebate. Additionally, you may also qualify for incentives through the AirCheckTexas program. Visit www.airchecktexas.org to see which vehicles are eligible.

ACT NOW!

You could be eligible for up to \$3,500 for your older vehicle! North Texans whose vehicles have failed the emissions portion of the State inspection in the past 30 days or are at least 10 years old are encouraged to apply for assistance through the AirCheckTexas Program. For more information about ACT, visit www.airchecktexas.org or call 1-800-898-9103.

The meeting will be live streamed at www.nctcog.org/video (click on the "live" tab). A video recording will also be posted online at www.nctcog.org/input.
