Drop-Off Stations
For Recycling, Garbage, Brush, Bulky Items & Donations

Drop-off stations are free to Fort Worth residents.
- Proof of residency (current water bill or driver’s license) is required as proof of an active sanitation account.
- All incoming loads must be tarped, secured or covered.
- Size and volume limitations will apply.
- Residents must off-load to containers themselves.
- Commercial waste will not be accepted (no dual-axle trailers or business vehicles).
- Apartment residents may drop off recyclables only.

New services are now available at all four locations!
- Household chemicals and products disposal
- Styrofoam recycling
- Free secure paper shredding

**CAN be dropped off**
- Appliances (with/without coolant)
- Bagged household garbage
- Batteries and light bulbs
- Brush, leaves, yard trimmings
- Pesticides and fertilizers
- Bulky items (furniture, lumber, carpet)
- Computers & electronics
- Accepted recyclable items
- Tires (limit of 4)

All drop-off stations accept household chemicals to include: Automotive fluids, batteries, home/bathroom cleaners, lawn/garden, pool chemical, paint and more.

**CANNOT be dropped off**
- Concrete, rock, dirt, ceramic tile
- Roofing materials
- Explosives or ammunition
