

2020 Neighborhood Litter Stomp Wrap-Up Form

This form is designed to help you collect your cleanup information on-site. You must use the online reporting system to report your results after the cleanup.

The online system will also allow you to submit photos of your cleanup for recognition and contests.

You can access the online reporting system by going to fortworthtexas.gov/LitterStomp under the "Report Your Results" section.

Cleanup Location(s) _____

Number of volunteers: Youth (Younger than 18) _____ Adults _____

Number of hours volunteered _____

Count hours for all volunteers. For example, if you have 5 volunteers pick up litter for 2 hours, that would be 10 hours.

Number of bags collected: Trash _____ Recycling _____

Number of Tires Collected _____

Number of Parks Cleaned _____

Estimated Miles of roadway cleaned _____ Estimated miles of waterways cleaned _____

Count both sides of road or waterway, and count around perimeter of a lake. For example, if you clean ½ mile of both sides of a street or river, that would be 1 mile.

Drop-off station or site used to dispose of trash _____

(Example: Home trash can, School Dumpster, Hillshire Drop-Off Station, etc.)

Do not use a dumpster without permission from the property owner—this is illegal dumping.

Types of trash collected _____

Comments _____
