Your health insurance premium will increase by $100/month if you do not complete these 3 things by 8/31/20.

To avoid paying an additional $100 per month and earn your 2021 insurance premium incentive, you must complete these three (3) tasks:

1. Health Assessment (HA)
2. Tobacco Affidavit or Tobacco Journey (TOB)
3. Physician Screening Form (PSF)

If your spouse is covered by your health plan, he or she must also complete the tasks for you to reduce your payment and receive the incentive.

2020 HEALTHY CHALLENGE WELLNESS PROGRAM

Overview
The Healthy Challenge Wellness Program is a vital part of our overall benefits program. Whether your goal is to have more energy, to lose weight, to manage stress or to improve your diet, the Healthy Challenge Wellness Program can help.

City of Fort Worth Virgin Pulse Requirements
To provide the tools and support you need to live healthily, we have partnered with Virgin Pulse, a leading health-management services provider. Together with Virgin Pulse, we’ll bring you the latest health and wellness content, educational programs and an online community to keep you motivated.

Who can participate in the program?
Beginning 1/6/20, all employees hired before 6/1/20, and health plan-covered spouses, are eligible to participate in the Health Assessment (HA), Tobacco Affidavit or Tobacco Journey (TOB) and Physician Screening Form (PSF) and can log on to the City of Fort Worth website to take part in all available wellness activities.

Will my health information be confidential?
All programs are confidential and in compliance with the Health Insurance Portability and Accountability Act (HIPAA). Any information shared with the Virgin Pulse team will not be disclosed, except in accordance with HIPAA laws. Your Protected Health Information (PHI) will not be shared with your employer.
Virgin Pulse Requirements for Lower Premium and Incentive

DEADLINE: 8/31/2020

How Can I Lower My Premium & Receive an Insurance Premium Incentive?

To avoid paying an additional $100 per month and earn your 2021 insurance premium incentive, you must complete the Health Assessment (HA) questionnaire, the Tobacco Affidavit or Tobacco Journey (TOB), and the Physician Screening Form (PSF) after undergoing a Biometric Screening by 8/31/20. If your spouse is covered by the city’s health plan, they must also complete the requirements for you to receive the incentive.

1. Health Assessment (HA) Questionnaire
   After you register on join.virginpulse.com/cfw, you will complete the Health Assessment (HA) questionnaire. Upon completing it, you will review information on your current risk level for all lifestyle habits and you will receive tips for maintaining or improving your overall health and well-being.

2. Tobacco Affidavit or Tobacco Journey (TOB)
   If you are not a tobacco user, you will simply check the attestation form indicating you are a Non-User. If you are a tobacco user, you will be directed to complete the Tobacco Journey, by following the prompts.

3. Physician Screening Form (PSF)*
   You will need to schedule your Biometric Screening with your physician and take the Physician Screening Form (PSF) to your appointment. Once you have registered at join.virginpulse.com/cfw, you will download a copy of the PSF, on the Programs page, to take to your physician to complete. Once the PSF is complete, you will be able to submit the form via upload to your Virgin Pulse portal, or fax to 1-508-302-0055.

*IMPORTANT NOTE: Your PSF must be submitted by 8/31/20. No late submissions will be accepted. This means that your Biometric Screening should be scheduled no later than 8/26/20 to allow time for the blood work to be processed and results returned to the physician to complete the PSF and submit by 8/31/20. If blood work is done prior to the screening appointment, and the screening is completed on 8/31/20 and the PSF is submitted by 8/31/20, this should not be an issue.

HOW TO REGISTER
Visit join.virginpulse.com/cfw to login and register with Virgin Pulse. Just follow the prompts to register as a new user. If your spouse is on the city’s health insurance, both of you will have a separate account, so each of you will register. Employees/Retirees will use their 6-digit Employee ID#, and Spouses will use that Employee ID# with “S” at the end. (Example: Employee/Retiree: 123456; Spouse: 123456S)

Virgin Pulse Member Services
The Virgin Pulse Member Services has four different options to assist you with questions or much-needed information. Choose what works best for you:

- **Live Chat** – Members are able to quickly chat online (web only) with a representative. Available Monday – Friday, 1:00 a.m. – 8:00 p.m.
- **Phone** – Members can call to speak with a representative at 888-671-9395. Available Monday – Friday, 7:00 a.m. – 8:00 p.m.
- **Email** – Members can email the team by using support@virginpulse.com and receive initial responses within 2 business days, even if not resolved.
- **Support Page** – Members can access self-service troubleshooting with over 500 articles on topics, including getting started, devices and apps and profile setup.

Additional Physician Screening Form Information
If you do not have a Primary Care Physician (PCP), you can contact the City of Fort Worth Employee Health Centers at 1-800-574-0606 to schedule your Biometric Screening. Your insurance covers one annual physical/Biometric Screening per calendar year (not every 12 months). It’s covered 100% (free) on both the Health Center and Consumer Choice plans.

Health Coaching from Virgin Pulse

Call in a Personal, Trained Health Professional

As we strive toward better health, we could all use a little help from experts from time to time. That’s why the Virgin Pulse Health Coach Program is such a valuable part of the Healthy Challenge Wellness Program.

As a Healthy Challenge participant, you have access to a variety of specially trained health professionals, including registered dietitians, clinicians, nurses and certified personal trainers. You’ll be assigned to one or more of these professionals, depending on your health goals. Earn 250 points per session, up to 4x per month, toward the Healthy Challenge cash payout.

What Should I Expect During My Coaching Session?

Your Health Coach is an experienced, certified Virgin Pulse Health Professional who will support you in behavior and lifestyle modifications. You’ll receive health education as needed and work together to set realistic health goals. Your coach will help you track progress over time and adjust the program to help you meet your goals. Whether you need to lose 15 pounds, quit smoking or reach a specific fitness goal, a Virgin Pulse Health Coach can assist. Coaching sessions take place over the phone or by secure messaging on join.virginpulse.com/cfw and last between 10 minutes to one hour, depending on the focus and instruction needed.

How Do I Contact a Health Coach?
Contact your Health Coach by calling 1-888-671-9395 or by visiting the www.join.virginpulse.com/cfw homepage.

- Select Inbox from the pull-down menu containing your name in the upper-right corner of the home page.
- Then click on the Send a Secure Message to a Health Coach link.
These fitness and lifestyle classes are offered by the Healthy Challenge Wellness Program to all employees, retirees and spouses at no cost. Participation will also earn points toward the Healthy Challenge Cash Payout. Check the Roundup for class schedules. For more information, call the Healthy Challenge Wellness office at 817-392-2623.

**FIT CAMP**
This boot camp is designed for all ages and fitness levels and focuses on maximum calorie burn in a short amount of time. The emphasis of this class is to get you fit and healthy, challenge your mind, challenge your body and most importantly, to make fitness fun.

**FULL-BODY FITNESS**
This is an all-level total-body workout class for individuals ready to challenge themselves using mostly body weight. This is a low-impact class that will build individuals’ strength and fitness endurance.

**TOTAL-BODY BLAST**
This heart-pumping total body workout is designed to challenge every aspect of your fitness. Using calisthenics, hand weights, sprints and stair climbing, your fitness will advance to the next level.

**YOGA**
For those of all abilities and interests, this class places an emphasis on increasing awareness of wellness mechanics through various physical postures integrated with breathing and relaxation techniques.

**ZUMBA**
Zumba is a dance-aerobics class that fuses hypnotic musical rhythms and tantalizing moves to create a dynamic workout system designed to be fun and easy.

**FINANCIAL-WELLNESS WORKSHOP**
No matter your current income or expenses, with the right information and strategies, you can improve the way you manage your money so that you can create more financial security and a better financial future for yourself. The purpose of this training session is to give participants the information and strategies they need to achieve financial wellness, which in turn contributes to your physical wellness. The format is a one-hour group session that involves discussion, as well as hands-on exercises.

This class teaches a number of skills, including:
- How to achieve financial wellness
- Developing a financial plan
- Creating budget and savings strategies
- Credit cards, credit scores and credit reports
- Dealing successfully with major life events affecting financial wellness
HEALTHY CHALLENGE WELLNESS INCENTIVE PROGRAM

The Healthy Challenge Wellness Program is a unique incentive program for City of Fort Worth employees. In addition to the current Healthy Challenge Cash Payout Program, you can earn Wellness Bucks if you get caught by any of the Healthy Challenge Wellness Program staff doing something “healthy.” Any Wellness Bucks you earn this way can be “cashed in” for several wellness products (i.e., mug, t-shirt, stress ball, pedometer, etc.).

How Does It Work?
The Healthy Challenge Wellness Program staff will be on the lookout for anyone who is working on making lifestyle changes to improve or protect their health. These could include eating more fruits and vegetables, eating low-fat foods, being more physically active, managing stress more effectively, not using tobacco, wearing seatbelts or using your medical self-help manual. If any of the Healthy Challenge Wellness Program staff “catch” you doing any of these healthy behaviors, they will introduce themselves to you, hand you a green Wellness Buck and say, “I caught you doing something healthy — keep it up!” They may not do so every time they see you, but they will some of the time.

Since there are only three Healthy Challenge Wellness Program staff members and over 6,000 full-time employees, this may be a daunting task. So, we need your help to identify potential “offenders” of good health. If you or someone you know regularly walks at a certain time each day while at work, let us know and we may just show up to catch them. If you’re having a meeting where there is fresh fruit or vegetables as part of the fare, let us know and we may just show up to catch you. Get the idea?
Now, go out and practice those healthy behaviors, and Get Caught Doing Something Healthy!

Wellness Store
The Healthy Challenge Wellness Store will be open each work day 8:00 a.m. – 5:00 p.m. for you to exchange your Wellness Bucks for Wellness Merchandise. For more information, call the Healthy Challenge Wellness Office at 817-392-2623.
How can a Nurse Liaison help me?
Amy is available to meet with you to discuss any lifestyle behaviors you may want to improve such as weight loss, nutrition counseling and prevention and disease management. Amy can help you create and achieve personal health goals. In addition, she can help answer health or medication questions and potentially save you out-of-pocket money on health-related costs.

Will my personal information that I share with my Nurse Liaison be protected?
Yes, all of your personal health information will be protected in accordance with the Health Insurance Portability and Accountability Act (HIPAA). None of your personal information will be shared with your employer.

What else does my Nurse Liaison do?
Your onsite Nurse Liaison will:
- Engage employees to make better health care decisions
- Teach employees how to navigate UnitedHealthcare wellness tools and resources
- Provide coaching and support for individuals and groups
- Provide referrals to clinical and community programs
- Offer noninvasive health screenings and health education
- Plan, design, implement and evaluate workplace wellness programs

8. Program duration is one year

**Level Three Treatment – OptumRX**
(“Only available to Health Plan members)

The addition of pharmacological weight-control agents to the treatment plan constitutes treatment at Level Three. Treatment with weight-control medications may be conducted coincidently with ongoing Level One or Level Two treatments or stand alone.

Several agents are FDA approved for weight control, including but not limited to: Covered 100%, no copay for HCP members; Waive deductible and 5% coinsurance for CCP members.

1. Orlistat (Xenical®)
2. Lorcaserin (Belviq®)
3. Phentermine (Adipex-P®, Suprenza®, Qsymia®, Lomaira®)
4. Phendimetrazine (Bontril®)
5. Benzphetamine (Didrex®)
6. Bupropion/Naltrexone (Contrave®)
7. Liraglutide (Saxenda®)

**Level Four Treatment – Bariatric Surgery**
(“Only available to Health Plan members)

Bariatric gastric bypass surgery (GBS) or other bariatric surgical procedures constitute the Level Four treatment of last resort. Patients may be referred for a bariatric surgical procedure to medical centers where this service is available. Specific selection criteria apply for this treatment option. Several procedures are approved for weight control, including:

1. Sleeve Gastrectomy
2. Roux-En-Y
3. Duodenal Switch
4. LAP

Bariatric surgery through SurgeryPlus follows this protocol:

1. Uses bariatric surgeons on their specialty network – currently, 4
2. Surgery is performed at the facility where the specific bariatric surgeon has rights
3. Will follow same three-month Pre-Op Program protocol prior to surgery
4. Postop follow-up will be done through the same bariatric surgeon who performs surgery
5. Cost to member: Deductible; coinsurance waived
1. Free, six months Diabetes supplies (Meters, strips, lancets) distributed at THR Health Centers (3 main sites), with a scheduled Diabetes Checkup appointment. Checkup is free to Health Center (HCP) members and $60 for Consumer Choice (CCP) members.

12:30 p.m.-3:30 p.m.  6 Hazel Harvey Peace Center - Double Reds (Available)

Meet Double Reds

Unlike a traditional whole-blood donation, Automated Red Cell Collection (2RBC) allows the donor to safely give two units of red blood cells instead of just one — thus, the nickname “Double Reds.” The process separates blood into its components while it is being drawn. Because only red blood cells are being collected, enough can be collected for two red-cell transfusions and the remaining components are returned to the donor.

The collection procedure takes just 20 minutes longer than a whole-blood donation and can be performed every four months.

2RBC Donor Requirements

2RBC donors must meet certain height and weight requirements, as well as routine donor criteria:

- Males must weigh at least 150 lbs. and be 5'5” or taller.
- Females must weigh at least 130 lbs. and be 5'1” or taller.

If donating at a Carter Blood Care Center, please use Sponsor Number: SPON033098

RESOURCES FOR LIVINGSM 1-866-611-2826

Employee Assistance Program (EAP)

Resources For LivingSM is an employer-sponsored, employee-assistance program available at no cost to you and all members of your household. That includes dependent children up to age 26, whether or not they live at home. Services are confidential and available 24 hours a day, 7 days a week.

Counseling and Relationship Support
Face-to-Face and Online/Televideo

Face-to-Face:
Call our dedicated staff 24 hours a day. You can also talk to licensed behavioral health professionals for emotional support.

- Counseling sessions are available face-to-face, by phone or via televideo (see below).
- Support, consultation and resources are available for a range of issues such as: helping you balance work and home life, family/relationship issues, depression, anxiety, conflict management, alcohol/substance abuse, stress management and more.

Online/Televideo:
If you have a webcam and Internet access, you may want to ask about online/televideo counseling in which you may meet with a counselor from the comfort of your own home via televideo — or even on the phone. Like face-to-face sessions, you and your counselor can see each other and work on your goals. It’s the next best thing to being in the same room but minus the drive time. Of course, you can still see a counselor in person. Your problems are unique and counseling should match that. Your provider can help you determine which option is a good fit for you.

With televideo, you can:
- Build rapport together with your counselor
- Fit sessions into busy days
- Cut out travel time and expense
- Skip the waiting room

Call for Help Anytime
When it comes to using your free EAP sessions, you’ve got more options than ever before. And there’s no need to leave home to work with the same counselor for multiple sessions.

You can get help with:
- Anxiety and depression
- Family and relationship issues
- Caregiving

Web-Based Resources
Our customized website offers a full range of tools and resources on behavioral health and work-life balance topics. Most sections of the website are available in Spanish. Website links include those for:

- Articles and self-assessments
- Access to work-life service providers
- Stress Resource Center
- Live webinars and on-demand library
- Mobile app
- myStrength – a “health club” for your mind

Work-Life Balance Services
