Changes for 2017

Announcement

Effective January 1, 2017, the City of Fort Worth will require all retirees, spouses of retirees and surviving spouses of retirees enrolled in the City's retiree health plan to enroll into Medicare Part A and Part B if they are already sixty-five years or older or when they reach the age of sixty-five.

Turning 65 in 2016 or 2017?

- If you turn 65 and are eligible for Medicare (have earned 40 credits), please call Social Security at 800-772-1213 three months prior to your birthday month to enroll in Part A and B. When you receive your Medicare Card call Debby Smith at 817-392-2897 to enroll into the City's Medicare Retiree Health Plan.
- If you turn 65 and are not eligible for Medicare (have not earned 40 credits), but your spouse is eligible for Medicare and is age 62 or older, please call Social Security three months before your birthday month at 800-772-1213 or visit www.socialsecurity.gov to determine what Medicare options are available to you; you should be able to enroll under your spouse's eligibility.

Turning 65 in 2016 or 2017? Cont.

- If you turn 65 and will never be eligible for Medicare (and have not already been contacted by HR Benefits), call Debby Smith at 817-392-2897 to schedule an one on one session to discuss your options.
- If you retire due to a disability and receive Medicare, you should enroll in Part A and B and contact Debby Smith at 817-392-2897 to enroll into the City's Medicare Retiree Health Plan.
- Failure to enroll into Part B when you reach age 65 will result in your being charged a 10% penalty by Social Security for every 12 month period you did not enroll.
