

City of Fort Worth, Texas Job Description

Classification Title	Airport Operations Officer		
Job Code:	PS5010	Job Family:	Public Safety
Pay Grade	508	Date Reviewed:	06/09/15
FLSA Status	Nonexempt	Date Revised:	

GENERAL SUMMARY

Performs duties to ensure airport compliance with local, state, and federal regulations. Ensures airport safety and security while providing excellent customer service. Acts as first responder to airport emergencies and coordinates with all involved agencies.

ESSENTIAL DUTIES & RESPONSIBILITIES

The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.

1. Monitors and evaluates the day-to-day activities of airside and landside operations at the City of Fort Worth airports to ensure compliance with lease provisions, policies and procedures, and other governing regulations.
2. Conducts day and night inspections to ensure compliance with all pertinent FAA and TxDOT regulations. Checks airport facilities for repair and maintenance. Interprets rules, regulations, policies and procedures to lessees and tenants. Recommends necessary equipment and material purchases.
3. Analyzes specific operational problem areas as assigned by the Airport Manager and/or Airport Operations Supervisor. Conducts research and compiles data to make recommendations for alternative operating methods or procedures.
4. Monitors construction projects for airport safety and governmental compliance. Notifies tenants and/or outside agencies of impending construction.
5. Revises and updates Airport Certification Manuals and Airport Emergency Plans. Ensures proper recording of all documentation and Airport's 100 percent compliance with all FAA record-keeping requirements.
6. Assists development of Meacham Airport Marketing Plan. Creates advertisements and updates Meacham's social media marketing efforts.
7. Responds to and assists coordination of airfield emergencies. Monitors and responds to weather related events and power outages.
8. Assists in the development of airport access system procedures, departmental budget and operational reports. Provides general administrative support to Airport Manager and Airport Operations Supervisor.
9. Interacts with internal and external agencies.

10. Performs other duties as required.
11. Adheres to assigned work schedule as outlined in the Department and City attendance policies and procedures; ensures all behaviors comply with the City's Personnel Rules and Regulations.
