GENERAL SUMMARY
Coordinates and supervises emergency management and homeland security operations during natural or man-made emergencies and disasters, pandemics and acts of terrorism including program activities and community preparedness; develops community wide warning systems; represents the City in regional, state and national boards and committees; and provides expert testimony for state and congressional hearings related to emergency management.

ESSENTIAL DUTIES & RESPONSIBILITIES
The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.

1. Supervises staff, which includes prioritizing and assigning work; conducting performance evaluations; ensuring staff is trained; ensuring employees follow policies and procedures; maintaining a healthy and safe working environment; and, making hiring, termination, and disciplinary decisions or recommendations.

2. Identifies opportunities for improving service delivery methods and procedures; identifies resource needs; reviews with appropriate management staff; and implements improvements.

3. Directs, coordinates and reviews the work plan for assigned emergency operations services and activities; monitors work flow; review; evaluates work products, methods and procedures; and meets with employees to identify and resolve problems.

4. Monitors and evaluates the quality, responsiveness, efficiency and effectiveness of assigned emergency response programs, service delivery methods and procedures; and works with employees on the continuous improvement of services to citizens.

5. Develops community warning tools, notification systems and the policies, procedures and training programs for the effective and efficient dissemination of emergency information.

6. Oversees and ensures the proper implementation of emergency operations plans for various emergency situations; and monitors the preparedness of emergency response staff.

7. Ensures readiness and proper operation of the Emergency Operations Center and the Radio Amateur Civil Emergency Service group of volunteers.
8. Provides technical assistance and advice to various City departments in planning for emergency and disaster situations.

9. Develops, maintains and administers Fire Department emergency operations regulations, standard operating procedures, informational bulletins and other various forms and documentation.

10. Participates in the development and administration of assigned program budget. Forecasts funds needed for staffing, equipment, materials and supplies; monitors and approves expenditures; and recommends adjustments as necessary.

11. Provides staff assistance to the Fire Chief; participates on a variety of committees; and prepares and presents staff reports and other correspondence as appropriate and necessary.

12. Represents the City in regional, statewide and national committees, boards, commissions, roundtables, forms and hearings to develop emergency plans and agreements and negotiate and secure support and funding.

13. Coordinates emergency management and operational activities with those of other divisions and outside agencies and organizations.

14. Performs other related duties as required.

15. Adheres to assigned work schedule as outlined in the Department and City attendance policies and procedures; ensures all behaviors comply with the City's Personnel Rules and Regulations.

16. Pursuant to the City of Fort Worth’s Code of Ordinances and Personnel Rules and Regulations, employees in this position cannot file an appeal of disciplinary actions taken against them.
