

City of Fort Worth, Texas Job Description

Classification Title	Environmental Program Manager		
Job Code:	MG1271	Job Family:	Management
Pay Grade	613	Date Reviewed:	07/09/15
FLSA Status	Exempt	Date Revised:	

GENERAL SUMMARY

Directs, manages, supervises and coordinates air, water, or hazardous materials operations and investigation activities within the assigned department, including inspections of industries, businesses, residences, and other sources of environmental pollutants. Maintains chemical, physical, and biological monitoring and analysis programs; resolves environmental problems; ensures compliance with Federal and State regulations; coordinates assigned activities with other divisions, departments and outside agencies; and provides complex administrative support to the Director.

ESSENTIAL DUTIES & RESPONSIBILITIES

The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.

1. Supervises staff, which includes prioritizing and assigning work; conducting performance evaluations; ensuring staff is trained; ensuring employees follow policies and procedures; maintaining a healthy and safe working environment; and, making hiring, termination, and disciplinary decisions or recommendations.
2. Monitors and evaluates the quality, responsiveness, efficiency and effectiveness of assigned city service programs, service delivery methods and procedures; and works with employees on the continuous improvement of services.
3. Assists with development of master plans, contracts, studies and other projects to facilitate implementation of Water Department strategic vision.
4. Administers, supervises, coordinates and manages various program activities relative to assigned division. Researches, complies and analyzes information; prepares and submits reports and other correspondence; coordinates plan review and inspection; and represents the City during audits and program review.
5. Maintains indicators of environmental status and program activities for significant changes in quality and quantity of services provided.
6. Initiates and maintains contact with public and private agencies associated with environmental issues; and provides information to the public regarding environmental ordinances and actions that reduce pollution.

7. Develops and administers assigned division's annual budget. Forecasts funds needed for staffing, equipment, materials and supplies; monitors and approves expenditures; and implements adjustments.
8. Serves as the liaison with other divisions, departments and outside agencies. Negotiates and resolves sensitive and controversial issues.
9. Serves as staff on a variety of boards, commissions and committees. Provides administrative assistance to the Director; and prepares and presents staff reports and other necessary correspondence.
10. Conducts a variety of organizational studies, investigations and operational studies; and recommends modifications to environmental programs, policies and procedures as appropriate.
11. Stays abreast of new trends and innovations in the field of environmental issues.
12. Performs other related duties as required.
13. Adheres to assigned work schedule as outlined in the Department and City attendance policies and procedures; ensures all behaviors comply with the City's Personnel Rules and Regulations.
14. Pursuant to the City of Fort Worth's Code of Ordinances and Personnel Rules and Regulations, employees in this position cannot file an appeal of disciplinary actions taken against them.

MINIMUM JOB REQUIREMENTS

Bachelor's degree from an accredited college or university with major course work in environmental science, chemistry, biology or a related field and five years of increasingly responsible environmental management experience, including two years of administrative and supervisory responsibility.

OTHER REQUIREMENTS

Valid Texas driver's license.

Possession of, or ability to obtain, an appropriate, valid registration as a Certified Environmental Professional.

WORKING CONDITIONS

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Depending on assignment, positions in this class typically require touching, talking, hearing, seeing, grasping, standing, stooping, kneeling, crouching, reaching, walking and repetitive motions.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Light Work – Depending on assignment, positions in this class typically exert up to 20 pounds of force occasionally, up to 10 pounds of force frequently, and/or a negligible amount of force constantly having to move objects. If the use of arm and/or leg controls requires exertion of forces greater than that for the Sedentary Work category and the worker sits most of the time, the job is rated Light Work.
