GENERAL SUMMARY

Performs various administrative and technical duties related to housing rehabilitation programs; surveys and inspects housing units; monitors efforts of both homeowners and contractors concerning rehabilitation projects; and provides responsible assistance to program supervisory and management staff, including maintaining records and preparing reports.

ESSENTIAL DUTIES & RESPONSIBILITIES

The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.

1. Surveys and inspects dwelling units. Recognizes health and safety deficiencies in utility systems, structural systems, exterior housing units and other violations of the Minimum Building Standards Code.

2. Prepares clear and concise work specifications. Calculates rehabilitation cost estimates. Prepares and maintains housing rehabilitation inspection reports. Evaluates loan to value ratios. Calculates amount that can be loaned out to applicants.

3. Reviews all components of the bid process and verifies contractor bids coincide with money allocated. Ensures no unapproved changes were made.

4. Monitors rehabilitation work in progress; mediates negotiations between contractor and homeowner; recommends and determines the best action to resolve disputes.

5. Performs final inspections and identifies any additional items to be replaced or repaired. Determines payment date.

6. Identifies all critical information that needs to be kept in financial files.

7. Trains assigned employees in their areas of work including safety methods, procedures and techniques.

8. Monitors and evaluates the quality, responsiveness, efficiency and effectiveness of assigned housing rehabilitation services and procedures; works with employees on the continuous improvement of service.

9. Reads and understands blueprints specifically related to housing rehabilitation services and activities.
10. Monitors rehabilitation work in progress; mediates negotiations between contractor and homeowner; recommend and determine the best action to resolve disputes.

11. Performs related duties as required.

12. Adheres to assigned work schedule as outlined in the Department and City attendance policies and procedures; ensures all behaviors comply with the City’s Personnel Rules and Regulations.
