GENERAL SUMMARY
Under minimal supervision, manages highly complex procurement assignments and works independently to operate and make decisions. Performs highly complex technical tasks related to assigned area of responsibility. Supervises lower-level professional and clerical personnel.

ESSENTIAL DUTIES & RESPONSIBILITIES
The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.

1. Participates in the purchase of equipment, materials, services, and supplies.

2. Receives, examines, and processes departmental requisitions.

3. Prepares bid specifications and other necessary documents related to the purchasing of equipment, materials, services, and supplies in both formal and informal situations.

4. Solicits bids from appropriate vendors, and compares costs and evaluates the quality and suitability of equipment, materials, services, and supplies.

5. Selects appropriate vendors; accomplishes the purchase of equipment, materials, services, and supplies used in City departments.

6. Maintains contact with vendors; keeps informed of new products, market conditions, and current prices; monitors and evaluates vendor performance.

7. Confers with departmental representatives to determine purchasing needs, specifications, areas of standardization, and special problems.

8. Receives and ensures proper handling of bid bonds, bid security and cashier’s checks received with responses to solicitations.

9. Coordinates purchasing activities with other City departments, divisions, sections, and outside agencies including Inter-local Agreements and Cooperative Purchasing Agreements.
10. Investigates and follows-up on complex changes and complaints, secures adjustments, and makes changes and corrections to purchase orders.

11. Serves as liaison on complex matters relating to substitutions, equivalents, delivery schedules, and vendor problems.

12. Assists in the disposition of surplus property and equipment.

13. Assists with the minority/women business enterprise program as needed.

14. Coordinates and negotiates the more technical, complex, and large-scale procurement of equipment, materials, services, and supplies.

15. Selects appropriate vendors based on evaluations and prepares bid award information for City Council.

16. Prepares reports to City Council for the extension of existing contracts, agreements, sole source justifications, and other information as necessary.

17. Supervises, plans, assigns, reviews, and participates in highly complex and technical purchase and distribution of equipment, materials, services, and supplies.

18. Establishes procedures for day-to-day operations; interprets and implements division policies.

19. Analyzes difficult, highly complex, technical and recurring problems and recommends solutions to the manager.

20. Assists in maintaining control of large expenditures and adheres to purchasing policies and procedures.

21. Supervises, trains, and evaluates assigned staff.

22. Performs other related duties as required.

23. Adheres to assigned work schedule as outlined in the Department and City attendance policies and procedures; ensures all behaviors comply with the City’s Personnel Rules and Regulations.
