MINIMUM JOB REQUIREMENTS

Bachelor's degree from an accredited college/university with major course work in environmental science, public health, food services or a related field and four years of increasingly responsible consumer health, regulatory or related experience; including one year of lead experience.

OTHER REQUIREMENTS

Valid Texas Driver's License.

Certified Pool Operator Certificate.

FDA/TDSHS (Federal Drug Administration/Texas Department of State Health Services) Standardization Certificate.

WORKING CONDITIONS

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Depending on assignment, positions in this class typically require touching, talking, hearing, seeing, grasping, standing, stooping, kneeling, crouching, reaching, walking and repetitive motions.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Light Work – Depending on assignment, positions in this class typically exert up to 20 pounds of force occasionally, up to 10 pounds of force frequently, and/or a negligible amount of force constantly having to move objects. If the use of arm and/or leg controls requires exertion of forces greater than that for the Sedentary Work category and the worker sits most of the time, the job is rated Light Work.
