How do I obtain the Historic Site Tax Exemption?

The Historic Site Tax Exemption (HSTE) involves a two-part process that requires approval by the HCLC and the City Council before the project is started, and final verification by the HCLC and the City Council upon completion of the project. The Tax Exemption will go into effect January 1st of the year following City Council verification. The Tax Exemption freezes the taxable ceiling of the land and improvements at the pre-renovation values for the purpose of assessing City of Fort Worth taxes. The exemption period is ten (10) years. Application to the Tarrant Appraisal District must be made by the property owner each year of the exemption.

Eligibility for the Tax Exemption requires that an investment equal to or greater than 30% of the assessed valuation of the improvements be spent on rehabilitation. The HCLC must approve all work requiring a Certificate of Appropriateness in advance. Work, which does not require a Certificate of Appropriateness, may be counted toward the investment up to five years after the expenditure with appropriate receipts. Please contact the Historic Preservation Officer for more information.

Step 1: Partial Approval

Upon submission of the completed application, the item will be placed as a public hearing action item on the next scheduled HCLC meeting. Incomplete applications will not be accepted or forwarded to the HCLC for action. Please see the HSTE page of the application for required documentation. Upon approval by the HCLC, your application will be forwarded to the City Council for action.

Step 2: Verification

Upon completion of the stabilization or rehabilitation project, the applicant shall return the documents listed on the HSTE page of the application to the HCLC for verification. If the verification of completion is favorable, the HCLC shall forward your application to the City Council for verification approval. Once verified, City staff notifies the Tarrant Appraisal District of the tax exemption to begin on January 1 of the following year.

If the verification of completion is unfavorable, you shall be required to complete the project in order to secure the HSTE; your application will be returned for consideration of approval after all work has been completed.

NOTE: Upon verification of the HSTE, a signed and notarized copy of the City of Fort Worth form "Notice of Historic Site Tax Exemption" shall be filed in the office of the Tarrant County Clerk before the City shall grant the HSTE.

I am responsible for submitting the required documentation to the Planning Department for verification of the project's completion by the Landmarks Commission and the City Council.
