

# TCU/Westcliff Sector Future Land Use

## Sector Land Use Policies

- Promote transit-oriented development (TOD) around the planned TCU/Berry TEX Rail station.
- Encourage redevelopment of the Berry/University and Bluebonnet Circle Urban Villages consistent with their urban village plans.
- Promote a desirable combination of compatible residential, office, retail, and commercial uses in a mixed-use or form-based zoning district in the Berry/University Urban Village.
- Promote commercial, mixed-use, and urban residential development within the Hulen/Cityview and TCU Mixed-Use Growth Centers.
- Preserve the residential character of University Drive north and south of the TCU campus. Encourage mixed-use development in the growth center portion of University Drive.
- Encourage redevelopment along West Berry Street while preserving the adjacent single-family neighborhoods.
- Orient businesses to Berry Street to encourage pedestrian shopping and reduce traffic on residential side streets.
- Encourage the revitalization of the Westcliff shopping district with retail uses and improvements that are compatible with adjacent neighborhoods.
- Encourage compatible development along the Chisholm Trail Parkway corridor between the Trinity River and Arborlawn Drive.
- Promote single-family and low-density residential development on the east side of the tollway, adjacent to the Overton Woods neighborhood.
- Promote low-density residential, urban residential, institutional, and neighborhood commercial development on the west side of the tollway.
- Stimulate redevelopment of the Berry Street, University Drive, and 8<sup>th</sup> Avenue/Cleburne Road/McCart Avenue commercial districts.
- Encourage recreational development along the Trinity River corridor.
