Fort Worth Voluntary & Mandatory Neighborhood Associations

The neighborhood organizations depicted on this map have voluntarily registered with the City of Fort Worth as a Voluntary or Mandatory Neighborhood Association. Each organization is formed separate and apart from each other and from municipal government. Each is free to elect its own officers, establish its own bylaws and determine its own function.

By registering with the City of Fort Worth, the association is officially recognized by the City and will receive valuable information from various City departments, including notification of Board of Adjustment, Planning and Zoning cases that fall within or near its boundaries.

Neighborhood organizations are not required to register, but are encouraged to do so. Users should note that organizations other than those on this map may exist, but are not registered with the City. Applications for registration or other information may be obtained by calling the Neighborhood Office at (817) 392-7525.
