Thank You

To the Honorees,

Congratulations for reaching such an impressive milestone, and thank you for your decades of service at the City of Fort Worth.

Ranging from 20 to 40 years of service to the City, your monumental dedication and hard work prove every day to be what truly makes Fort Worth the best city in the nation. Being a former city employee, having served as the Chief of Staff for five years, I only scratched the surface in my tenure in comparison to your longevity – for that, I admire each of you.

It's incredibly humbling for me to serve as the new Mayor of this growing city, but the role I play would have no impact without your substantial contributions at the City of Fort Worth. It is because of your sacrifices and commitment that we are able to build Fort Worth into a world class city that people choose to spend their vacations, build a business, raise a family and call home.

Thank you for your years of service at the City of Fort Worth.

Mattie Parker
