### DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

We are requesting a zoning change on our church property from A-5 One Family to CF - Community Facilities to permit the installation of a digital monument sign with an LED display to replace our current sign in the same location. Our church has been an integral part of the Fort Worth community for 52 years, and we believe that upgrading our signage will better serve both our congregation and the community at large.

The proposed digital monument sign will allow us to better communicate with our members and the public about upcoming events, service times, and community outreach initiatives. Furthermore, it will enhance the aesthetic appeal of our property and contribute positively to the streetscape and surrounding areas of our neighborhood.

We understand that there may be concerns regarding the visual impact and potential distraction of LED displays. regarding signage and outdoor advertising.

However, we assure you that the sign will be programmed responsibly to minimize any negative effects on traffic or neighboring properties. Additionally, we are committed to complying with all applicable regulations and guidelines See Site plans and sign location description attached.
