Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

We would like to re-zone to a slightly higher density to be able to raze the site and rebuild townhomes. The proposed density would conform to most of the uses proximate to the subject site on the same street. Directly to the south are new townhomes and new apartments are 75' to the north. The zoning across the street is commercial with new office buildings to the north east. This house and its neighbor are the only two visible on this portion of the street which have not been developed yet, to a different zoning.
