This is a proposed detached single-family development along Wonder Drive in southwestern Fort Worth in Council District 9. The **cottage** units are clustered around common green spaces. This is representative of a pocket neighborhood style of development which is not directly addressed by the current City of Fort Worth Zoning Ordinance. This detached single-family development shares characteristics of a cottage court and a single-family neighborhood but is considered to be a hybrid of the two.

The proposed development is a mixed housing Senior's Cottage Community. This pocket neighborhood will include eight (8) 900 SF to 1,030 SF single family homes and **thirty-one (31)** 400 SF to 500 SF cottages (**cluster housing**). There are 2 parking spaces per single family home and **2.00** parking spaces per cottage, totaling 80 spaces. Clustered mailboxes and central trash corrals are provided for the cottages. The development will include common green spaces for all residents.

Modifications to the current zoning ordinance shown below are needed to allow for the PD (C) classification.

- 1. Request a 20' setback rather than a minimum setback of 30' when adjacent to one- or two-family residential. (Ord. 4.711.c.2)**
- 2. Request a 15' front yard setback rather than the projected 30' setback. (Ord. 6.101)**
- 3. Request 2 parking spots per unit outside of town home unit parked on driveway under a carport rather than 2 spaces located within a garage. (Ord. 4.711.c.2)**

ADDITIONAL QUESTIONS

1. **Is this property part of a current Code Compliance case?** Yes No If yes, please explain:
