By unsealing today's bids, we will be reading Bidder's names and revealing pricing on the appropriate bids. Due to the confidential and negotiable nature of RFP's & RFQualifications, only the names of the respondents will be read. Bid amounts have not been verified at bid reading. Prices will be verified during evaluations. A spreadsheet will be uploaded to our website <https://www.fortworthtexas.gov/departments/finance/purchasing> within one business day.

Additionally, opening a bid does not guarantee the responsiveness, responsibility, or qualification of the bidder. Decisions regarding responsiveness, responsibility, and whether a vendor is qualified will be made during the evaluation process.

We are starting the bid opening process and will now unseal the responses for today's bids. We will provide an update in ten minutes if we haven't started reading the bids that were received. *(Start opening the bids and copying them to the Excel file. After all bids are copied, read the bids)*
