

JOIN THE FAMILY OF MULTI-FAMILY PROPERTY MAINTENANCE

Carpentry, Plumbing, Electrical, Painting - all the things a property maintenance personnel needs to know.

Property management companies need trained general maintenance workers to maintain and repair multi-family properties.

Our Multi-Family Property Maintenance (MFPM) program will prepare you for an entry-level job in the property maintenance industry, including:

- Apartments
- Duplexes
- Fourplexes
- Freestanding rental residences

After successfully completing our program, you will be able to troubleshoot and perform basic repairs for:

- Heating, Ventilation, and Air Conditioning (HVAC) systems
- Electrical systems
- Appliances
- Plumbing
- Building systems

**Next offering
July 1 - August 13**

You will also take a workplace communications course for professionalism.

For more info contact Derek.Hubenak@tccd.edu or 817-515-4167.
