

Keep Protecting Your Pipes!

- Insulate all outside pipes or pipes in unheated areas with proper insulation materials
- Keep cabinet doors under your sinks open to let warm air circulate around pipes
- Keep your heat on, even if you're not home
- Turn OFF your irrigation systems
- Keep water on hand in case of a water shortage due to frozen pipes
- Know where your private main water shut-off valve is located in case of a burst pipe
- Call Fort Worth Water's customer service line at 817-392-4477 if you are experiencing a water shortage
