HELP SHAPE THE SPINKS AIRPORT MASTER PLAN

Open House, Thursday, May 25

Fort Worth Spinks is initiating a new 20-year master plan based on economic and demand forecasts for general aviation (not commercial air service).

The comprehensive study will include cutting-edge technologies such as solar energy, electric aircraft, and Unmanned Aerial Systems (UAS).

WHERE: Spinks Airport Administration Bldg.,
450 Alsbury Ct., Fort Worth, TX 76028

WHEN: Thursday, May 25, 6–8 p.m.
