DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

The City of Fort Worth Water Department is proposing to install a new regional wastewater lift station along Silver Creek to accommodate anticipated development by providing wastewater service in this part of the City. The lift station was identified in the City's wastewater master plan as project no. 96 and is shown on the attached wastewater impact fee capital improvements plan for reference.

Per PDC-24-0221 City staff recommended pursuing rezoning of the existing site from A-21 to CF to accommodate the proposed usage.

We are also requesting a conditional use permit (CUP) as part of this application to permit the proposed usage.

ACKNOWLEDGEMENTS / LETTER OF AUTHORIZATION FOR ZONING CASE REPRESENTATION

I certify that the above information is correct and complete to the best of my knowledge and ability and that I am now, or will be, fully prepared to present the above proposal before the Zoning Commission and City Council public hearings. I further certify that I have read and understand the information provided, concerning the policies and procedures regarding consideration of my zoning request.

I understand that Planning staff will not conduct a plan review for this development and any and all development / design standards must be adhered to unless otherwise specified through a waiver.

I understand that all recommendations of the Zoning Commission will be forwarded to the City Council for final determination, normally scheduled for the second Tuesday of the following month. I further understand that any actions of the Zoning Commission are considered recommendations to the City Council and that I may be heard by the City Council at the prescribed Council hearing date where a final decision will be made.

I further understand that if I am not present nor duly represented at the Commission's public hearing, the Zoning Commission may dismiss my request, which constitutes a recommendation that the request be denied. I further understand that if I am not present, or duly represented, at the City Council public hearing, the City Council may deny my request.

I reserve the right to withdraw this proposal at any time, within 14 days of the deadline filing date, upon written request filed with the Executive Secretary of the Commission. Such withdrawal shall immediately stop all proceedings thereon; provided, however, case withdrawal, filed any time after the 14 days following the filing deadline, shall constitute a denial by the Commission and City Council. I understand my filing fee is not refundable upon withdrawal of my case application after public notice, nor following denial by the Commission or Council of my case. I / we respectfully request approval and adoption of the proposed zoning / land use of property, within the City of Fort Worth, as identified in this application.

SIGN INSTALLATION AUTHORIZATION

Authority is hereby granted to the City of Fort Worth, or its agent, to install upon the above described property, sign or signs in a conspicuous place, or places, at a point, or points nearest any right-of-way, street, roadway or historic designation, or, special exception or public thoroughfare abutting said property. Such sign or signs indicate that a zoning amendment is proposed and that further information can be acquired by telephoning the number indicated. I shall inform City Staff if the sign is removed, lost, or otherwise ceases to be displayed on my property during the processing of the zoning case.

SITE PLAN CHECKLIST AND REQUIREMENTS

Planned Development (PD) and Conditional Use Permit (CUP) Requests

Items to be Shown on All Site Plans

Project Identification:

- Site Address and Legal Description
- Title of project or development (in bold letters) in the lower righthand corner of the plan
- Date of preparation or revision, as applicable
- Name, address, and telephone number of engineer, architect, surveyor, and developer/owner
- Vicinity map, north arrow, and scale
- Label the zoning base number in the lower righthand corner of the plan, below the title
- Provide a signature line labeled: "Director of Development Services" with a "Date" line above the project title

Site Conditions:

- Buildings and Structures – The location and dimensions of all existing and proposed buildings and structures on the site, including those proposed for removal; the specific category of land/occupancy use(s) to be contained therein; the gross floor area, number of stories, land density per net acre of any residential buildings to remain or proposed, building height and separation, exterior construction material(s); and the location of all entrances and exits to buildings.
- Streets, Parking, and Drives – The location, paving and Right-of-Way widths, dimensions, and type(s) of all existing and proposed surface materials of perimeter and internal public and private streets, driveways, entrances, exits, parking and loading areas, including the number of off-street parking and ADA spaces, access ramps, wheel stops/curbing, and internal vehicular circulation pattern(s) or flow diagrams.
- Supplemental Surfaces – The types of surfacing i.e. grass turf, gravel, walks, etc. elsewhere existing or proposed on the site that is not proposed for vehicular paving and circulation.
- Dumpsters/Air Conditioners/Compactors – The size and location of all garbage containers, compactors, ground mounted air conditioners, etc., including the screening material identification and height thereof.
- Fences and Screening – Location, material, and height of all screen fences, walls, screen plantings, or bufferyards.
- Setbacks and Easements – Show all utility, drainage, and other easements, and all setbacks as appropriate to the zoning district and recorded plats.
- Land Use and Zoning – Label the land use and zoning classifications of both the site area and the immediately adjacent properties abutting the site.
- For Multifamily Site Plans - Provide a diagram showing areas being counted towards open space. If a waiver is required, provide a specific minimum percentage or other language defining how open space will be calculated for your project.

General Notes:

The following notes should be included on all site plans:

- This project will comply with [Section 6.301, Landscaping](#).
 - Note: For multifamily projects, revise this note to state: "This project will comply with Enhanced Landscaping Requirements for Section ____." (reference section for your specific zoning district)
- This project will comply with [Section 6.302, Urban Forestry](#).
- All signage will conform to [Article 4, Signs](#).
- All provided lighting will conform to the Lighting Code.

For multifamily projects in CR, C, or D districts, also include the following note:

- This project will comply with the Multifamily Design Standards (MFD) and an MFD Site Plan shall be submitted.

Please make sure to carefully review the development and design standards for your zoning district in [Chapter 4](#) of the Zoning Ordinance. If any waivers from these requirements are being requested, they must be clearly listed on the application and site plan. Once a site plan is approved by City Council, a PD or CUP Amendment will be required to add or modify any waivers. This is a full rezoning (public hearing) process that cannot be approved administratively.

Note: Approval of a zoning site plan does not waive health and safety requirements from Platting, Transportation/Public Works, Fire, Park & Recreation, and Water Department. These items cannot be waived through the Zoning Commission and City Council. Approval of the zoning site plan does not constitute the acceptance of conditions from these departments.
