Project Overview

This Fort Worth Water capital improvement project is bound by Clifton Street to the east to Montgomery Street to the west.

Landmarks include the UNT Health Science Center, Amon Carter Museum of American Art, and several restaurants and businesses.

Project Scope

An existing 30-inch in diameter water main will be replaced in Camp Bowie Boulevard, between Montgomery Street to the west and Clifton Street to the east.

This project is in Fort Worth Council District 7.

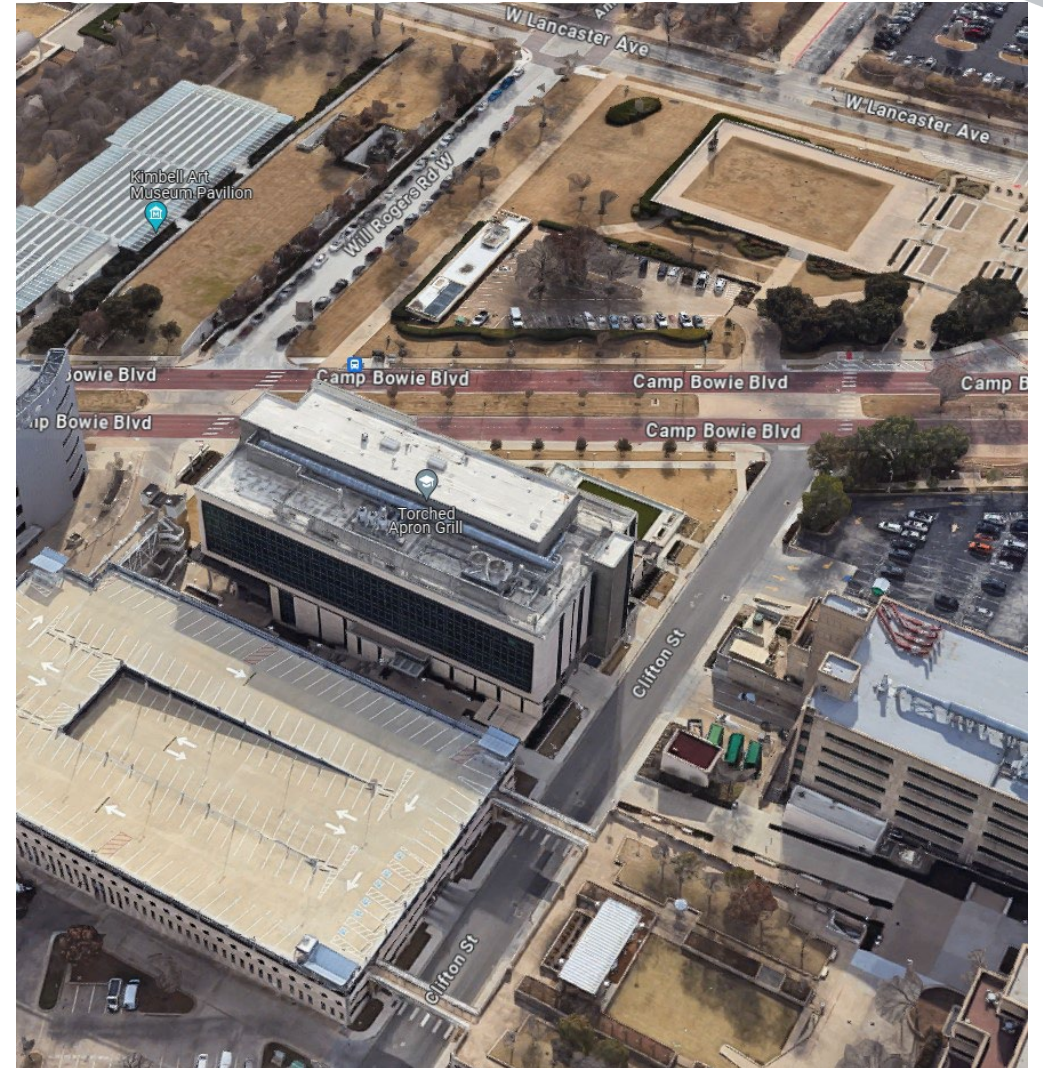

Construction will impact the Arlington Heights neighborhood association and Westside Alliance as well as numerous businesses in the Camp Bowie Boulevard corridor and surrounding area.

Project Scope

The water main on Camp Bowie was installed in 1949 and is made of cast iron.

Fort Worth Water has pledged to remove up to 20 miles of cast iron water lines in Fiscal Year 2024.

Will there be lane closures during construction?

The work will be done in the median. But traffic lanes may be closed, and detours will be in place, when the main is being removed and replaced and when the trench is being repaired.

Message boards will be posted to alert motorists.

What are the construction hours?

The hours of construction are 7 am to 6 pm, Monday-Friday and, if requested by the contractor, 9 am to 4 pm or 5 pm on Saturdays.

Contractors will not work on City holidays, which includes the following . . .

Thanksgiving/Day after Thanksgiving

Memorial Day

Christmas

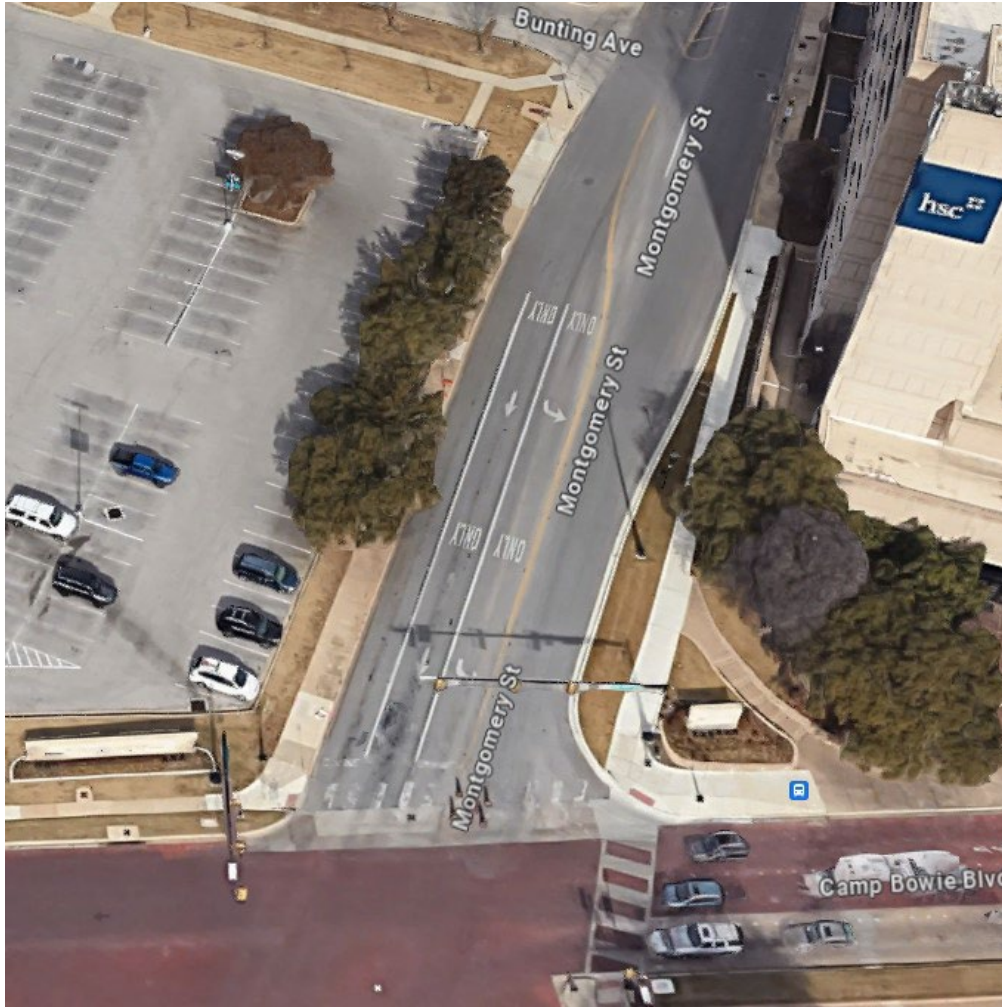

Juneteenth

New Year's Day

Independence Day

Martin Luther King Jr Day

And, Labor Day

Will we have access to parking during construction?

The inspector and the contractor will work with businesses and customers who need access to parking lots during active construction hours.

Again, those hours are:

- 7 am to 6 pm, Monday-Friday
- And, if requested by the contractor, 9 am to 4 pm or 5 pm on Saturdays

Timeline

The contractor will be on site following this May 2 community construction meeting.

The projected end date is the Fall of 2024.

How will we know construction is starting?

Keep an eye out for electronic signs and barricades on Camp Bowie.

If you live or work in the area impacted by construction keep an eye on your front door for a door hanger from the City of Fort Worth.

You will receive two door hangers.

The first one says “Construction Starts in 7 days.”

WATER UTILITY IMPROVEMENTS

Construction Starts in 7 Days

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work within the next SEVEN days, weather permitting.

Residents will have access to homes at all times. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur. There is never an interruption to wastewater service.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

Construcción Comienza en 7 días

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar dentro de los próximos SIETE días, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

How will we know construction is starting?

The second door hanger says “Construction Starts Tomorrow.”

The inspector will include his/her business card and contact information on the door hanger.
