

Street Sign Topper Program

community | belonging | recognition | pride

The Transportation & Public Works Department and Community Engagement Office have partnered together to facilitate the Street Sign Topper Program for our **registered** Neighborhood Associations (mandatory or voluntary) to increase program participation, community engagement and visual recognition of City of Fort Worth neighborhoods.

We've streamlined the process

- **NEW!** Online forms with no application fee.
- **NEW!** Your Community Engagement Liaison will guide you step-by-step.
- **FREE!** Graphic artwork for sign toppers.
- You select and pay sign fabricator directly.
- NPOs and other city staff will be "in the know" for planning and safety.
- Communication support for final celebration.

Three easy steps to get started

Step One

Prior to beginning the process, call the Community Engagement Office at 817-392-6201 to make sure your association is registered and all required information is up to date.

Step Two

Fill out the online [application](#) on our webpage.

Step Three

Once the application is completed, a Community Engagement Liaison will be assigned to your project to confirm the information provided and walk you through the rest of the process.
